### **DETAILED ACTION**

As an introductory matter a restriction has been set forth as follows and applicant has elected WITH traverse. The elected claims are subsequently found to be allowable. The non-elected claims remain. Applicant is given a two month statutory period under Ex parte Quayle practice.

1. Restriction is required under 35 U.S.C. 121 and 372.

This application contains the following inventions or groups of inventions which are not so linked as to form a single general inventive concept under PCT Rule 13.1.

In accordance with 37 CFR 1.499, applicant is required, in reply to this action, to elect a single invention to which the claims must be restricted.

Group I, claim(s) 1-5, drawn to a flotation process.

Group II, claim(s) 6-9, drawn to a method to make a chemical compound.

2. The inventions listed as Groups I do not relate to a single general inventive concept under PCT Rule 13.1 because, under PCT Rule 13.2, they share a special technical feature which does not define a contribution over the prior art. Specifically the common technical feature is the presence of the alkylamido thiophosphate compound which are shown to be well known by DE 3629269. Therefore the restriction is proper.

3. During a telephone conversation with Mr. Silverman on 02 December 2005 a provisional election was made with traverse to prosecute the invention of group I, claims 1-5. Affirmation of this election must be made by applicant in replying to this Office action. Claims 6-9 withdrawn from further consideration by the examiner, 37 CFR 1.142(b), as being drawn to a non-elected invention.

4. Applicant is reminded that upon the cancellation of claims to a non-elected invention, the inventorship must be amended in compliance with 37 CFR 1.48(b) if one or more of the currently named inventors is no longer an inventor of at least one claim remaining in the application. Any amendment of inventorship must be accompanied by a request under 37 CFR 1.48(b) and by the fee required under 37 CFR 1.17(i).

5. This application is in condition for allowance except for the following formal matters:

The presence of non-elected claims 6-9.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
